

Secretary's Report
September 27, 2014

Since our last regular meeting of June 27, 2014. I have received correspondence from five homeowners.

I received one communications from a homeowner in the B Building concerned about tenant noise.

I received four inquiries from owners with sub-metering questions.

Bret and Kalei continue to keep information flowing between the front office and homeowners on a variety of subjects including the Newsletter, storage fees, and numerous other friendly reminders.

I want to thank them for their continued efforts to keep you, our homeowners, in the know at Wavecrest.

Respectfully Submitted,
Rose Pecoraro
Board Secretary
