

## SECRETARY'S REPORT 3/18/2014

The secretary has received 12 correspondences from owners since the last meeting.

One owner wanted to know the current situation on the river cleanout. Secretary responded.

Two owners sent signed affidavits requesting budget information. The treasurer sent the requested information. One of the same owners asked for further information regarding Wavecrest owned rental units. The information was supplied by the secretary.

One owner sent three emails asking for board action regarding house rules infractions. The secretary and other board members responded.

One owner asked for information regarding the process used to issue warnings and fines of house rules. The issue is on the agenda.

One owner asked to consider forming a committee to plan events at Wavecrest rather than having one or two individuals do the planning. The secretary is asking others who may want to participate to form a committee.

An owner responded to two issues on the current agenda. The secretary will share the responses during the discussion.
